Greetings Georgetown Residents,

Hard to believe we are already into the summer months. I hope everybody is doing well and enjoying the warmer weather. We are continuing to put things into place that improve the appearance of the Town and quality of life for all.

I take great pride in seeing people step up and helping our community with flower planting, community clean-ups, and helping those that are less fortunate. Talking with Mayors throughout Sussex County, we are all dealing with similar issues – increased demand for services with flat or declining financial resources. It is important to keep in mind, that each town is unique, and the challenges and opportunities are different for each.

During a recent conversation with a local realtor, I was told that development west of Gravel Hill Road (Route 30) is designed and being built for work force housing as it has become too expensive in the coastal areas. It seems most workers at the beach are moving inland to live and raise their families. These young, entry-level workers cannot afford a new single family home, but can afford apartments, duplexes and townhomes. This is the new tax base growing and helping to keep our property taxes low.

The 2021 Summer Concert Series has started. This year we are at Sandhill Fields. This venue offers bathroom facilities, playgrounds for children, and picnic pavilions. Several concert goers have commented on how nice this location is - please come out and enjoy the music.

Our world is facing challenging times, locally, regionally, and nationwide. Let's show people that Georgetown is a better place, we respect everybody, and we treat people the way we want to be treated.

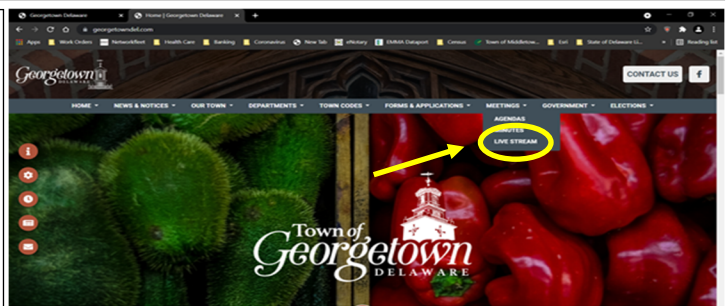

I look forward to seeing everybody and talking about our wonderful Town.
Georgetown, Well Rounded.
