PUBLIC NOTICE

REQUEST FOR PROPOSAL NO. 26-01
PROVISION OF WASTEWATER TREATMENT
FOR TOWN OF GEORGETOWN SERVICE AREA

The Town of Georgetown, Delaware (hereinafter referred to as "Town") is seeking to establish a sustainable arrangement for the provision of wastewater treatment to its constituents and customers. The option being considered is the sale of the wastewater treatment facility and disposal system to a regulated entity. This option is further described in the Request for Proposals (RFP). With this solicitation, the Town is inviting interested firms to provide proposals addressing this option. The Town intends to select from among the proposals received the best firm which in its sole judgment is the most qualified and provides the best value in terms of cost and assured reliability of wastewater treatment to its constituents and customers.

The Request for Proposal No. 26-01 document can be obtained from Davis, Bowen & Friedel, Inc. via e-mail to rwl@dbfinc.com or on the Town's website.

A **mandatory** pre-proposal meeting will be held at **2 P.M. on Monday, November 2, 2026**, at the Georgetown Wastewater Reclamation Facility, 24027 Cedar Lane, Georgetown, DE, 19947. A tour of the wastewater facilities will follow the meeting.

Proposals are due on **Thursday, December 3, 2026,** at the Town of Georgetown, 37 The Circle, Georgetown, DE 19947 where the proposals will be publicly opened and only the names of submitters will be stated.

After proposals are received on Thursday, December 3, 2026, proposers are invited to attend a public meeting of Town Council, residents and interested parties to present their proposal.
